Official Publication of the Prestbury Citizens Association

November Meeting Minutes

Al Kent, Vice President called the November 10, 2009 meeting to order at 6:30 p.m. and announced the presence of a quorum. Other Directors present were: Marlene Deck, Kappie Swanson, Cheryl Bolland, Gary Bannister, and Tom Stefancic. Jennifer Weaver, Cyndi Miller and Lee Boergadine were not present. Manager Connie Schultz, Nicki Leroy and 4 residents were also present.

A motion was made, seconded and carried approving the minutes as published from the October meeting with one correction. (Page 3 Last Paragraph of Tennis/Streets/Street Lights section – Third sentence should read: These two groups are responsible for the billing.) A motion was made, seconded and carried approving the agenda items for this meeting with the addition of two items – Change in the order of Business and under Unfinished Business – Add Sheds by Tom.

COMMUNITY COMMENTS

Marge Roe, 10 Laura Lane – The entrance to the nature trail on Hankes looks gorgeous! Thank you – thank you – thank you.

Tina deChaud, 47 Briargate – Ditto on Marge's comments.

Mary Anne Ryan, 324 Normandie – Thanked the board for identifying property lines with the copper topped posts. She is glad to know where their property lines are. She also asked about the date for the 2010 Garage Sale – the date (mark your calendars!) is Saturday, May 15, 2010. We reminded all that there is no chairperson for the event. Is anyone interested???

PRESIDENT'S COMMENTS

No report.

TREASURERS REPORT

There are no accounting numbers this month. The next publishing of numbers will be in December

based on a provisional unaudited 2009 results that will be issued before the annual general meeting in January 2010.

The annual 2010 budget information issued with this report will be part of the November Newsletter. Please note that PCA will not post the budgets separately as this is neither cost efficient nor an effective way to do business.

This report summarizes the following main areas:

- ❖ Status on our Banking Changeover Project
- ❖ Delinquents Report to October 2009.

Status on our Banking Changeover project

PSI and Old Second Bank in Aurora are making good progress in setting up a new system for our banking operations to take effect January 2010.

Testing of the online banking systems and lock box activities have occurred, including the monthly direct debit payments which accounts for approximately a quarter of our payments have been successful.

As a special plea to the citizens, the more people making use of the **direct debit payment facility** to pay their assessments the better for both Prestbury and you, as it reduces the cost to both of us (checks are more expensive, electronic bank transactions are cheaper and more secure). Checks get lost in the post and can compromise your information an identity. Please consider this option, PSI have special forms to allow you to sign up. In addition, you will not be late with your payments.

We are also in the process of setting up a line of credit for \$100,000, which will be approved

by the board at this month's meeting. This gives PCA the flexibility and security of having adequate funds in place to pay any large sums of money for capital projects if needed. It incurs a 1.5 % interest rate if used per month until cleared off. If this line of credit is not used, no penalty costs are incurred.

Any outstanding balances with MF Financials in Oakbrook will be transferred in January once we have completed our last transactions for December 2009.

Delinquents Report to October 2009

DELINQUENT REPORT	\$000
current	\$1.0
30 days	\$4.8
60 days	\$5.9
90 days	\$31.8
Total	\$43.5

There are 15 serious delinquents over 90 days included in the \$31.8 total. All are with our legal department; 4 of the 15 make up half the total.

Another 4 are foreclosures; 2 houses have been purchased so some of this will be settled soon.

There are another 10 minor delinquents where reminder letters have been sent.

SECRETARY'S REPORT – No report.

MANAGEMENT REPORT -

The October financial reports have not been completed, they will be sent to Gary for review. A copy of the delinquency report for October has been sent to Gary for review. The copy of the KSN portal is attached for the Board's review.

Lake Maintenance/Aeration Systems: Management spoke with Patrick Hill of Triplepoint Technologies regarding the "Mars" units and the amount of oxygen output. The aerators that have been removed and are being stored by Marine Biochemists; they will be replaced by the Mars units and we will have Marine Biochemists return the aerators in the spring and they will be stored in the Maintenance Office.

I am in the process of getting proposals for the electrical work that needs to be done in order to add more Mars units. Triplepoint will give us a bid, I have contacted Cattaneo Electric and we will ask Ken Schmidt if he would be interested in bidding.

Animal Control: George Lucas has set beaver traps. Michael checks the traps daily and calls George if we have trapped something.

Boats: Violation letters have been sent to a few resident boat owners regarding the way they secure their boats. It is a violation to tie off your boat to a tree; the boats should be kept on the boat pads if possible or staked at the shoreline.

Landscaping: All-Pro's have a two year landscape contract and AI will honor the second year of the contract. However, AI and I will be meeting with Cheryl Naumann of Landworks (Landscape Architects and Contractors) in the spring to walk the property and discuss the landscape specifications for the 2011 landscape contract.

Attorney: AI Kent has sent the attorney documents regarding the Mediacom damage. We are waiting to hear from the attorney.

Prestbury – Old Second Bank Transition: Old Second and PSI have been working together to make the transition from MB Bank to Old Second on January 1, 2010.

Sales: Two units closed in the month of October: one in Turtle Cove and one in Meadowridge Villas.

Report from On-site Liaison, Nicki:

Updated the "Rules and Useful Information" for the rental of the Cheshire Clubhouse. All keys must be returned within 72 hours of rental date either in the PCA mailbox or PCA office during regular hours.

The Com Ed / street light billing issue has been resolved. Heather Ridge and the Village of Sugar Grove have taken responsibility for the street lights in their area. Bliss Creek golf course has chosen to opt out.

The pool house and the sprinkler system have been winterized.

Residents having parties have come in to ask advice on setting up the Cheshire Clubhouse.

Van's locksmith has re-keyed the Cheshire door once again due to a lost key.

Met with Dan Stillwell from Data Card Systems, Dan will be giving PCA a quote on a card swipe system for the Cheshire door. The system will eliminate keys being distributed to residents for

parties, along with the cost of having to re-key the door. The card system is capable of changing the code for each card from the PCA office.

PCA office usage for meetings.. Please remember to check with the office to reserve, cancel or change dates. This should insure that we have not double booked.

The 2010 garage sale is scheduled for May 15, As of today we do not have anyone to Chair the event. Please call the office if you would like to.

Sub Associations please remember to up-date the PCA office your board member changes. Please include names, phone numbers, addresses, and e-mail addresses.

Last day for lawn bag pick up is Wednesday November 25.

COMMITTEE REPORTS

Architectural Standards

Cyndi reported there were no requests for October.

Clubhouse & Office Building

The committee met and has slated the last Monday of November as the day to decorate both the office and the Cheshire clubhouse for the holidays.

The committee also agreed to once again host the Annual Meeting Reception, with CT Services graciously agreeing to sponsor the food and drink portion of the evening.

Tweaking of the new website page referring to our committee was made by the committee. It was decided the an archival scrapbook will be created and kept in the office building. Anyone wishing to contribute items of interest should contact Nicki in the office. The committee will begin working on this project during the winter months.

An unplanned furnace repair and replacement took place in the Cheshire Clubhouse. Both furnaces are working well now.

Long Range Planning No report.

Tennis/Streets/Street Lights

Tennis: The Season is winding down and our contractor will be addressing warranty issues. The nets and wind screens have been removed and stored.

Streets: Sewer, street and curbing renovation for the Winwood area is being planned.

Renovation of the Hanks parking area is near complete. Sugar Grove Township is expected to finish the approach to the park in the spring in addition to replacing the storm sewer pipe under the approach.

The streets are due to be cleaned on November 16.

Street Lights: All new lights are in and operating. Please be aware if a light is out call the office and report the location to Nicki at 466-1576 . We ran new conduit for Heaton Ct. The line from the power supply was failing and needed replacement. This conduit can be used when we replace the old fixtures with new. The Light on Fernilee has been repaired.

Allen Kent and I met with our lighting contractor and will have a report on next years replacements in December.

Maintenance

Lakes – Scrub trees were removed from the southeast end of Lake Prestbury.

The eastward extension of the buffer zone along the Lake Prestbury shoreline at the cove in Hanks Park has been completed.

Five MARS aerators have been ordered for Lake Prestbury and expect to be installed in early December.

The bubblers have been removed from Lake Blackberry and Lake Prestbury for the season. The bubblers for Lake Prestbury will not be used again as the new MARS units will provide more oxygen than supplied by the bubblers. They're being reconditioned and will eventually be stored in the workshop over the office.

The information from the survey and recommendations on the spillway on Lake Prestbury has been submitted to the Chicago Metropolitan Agency for Planning (CMAP). The survey compared the flood stage of the spillway to the bank at the dock at Turtle Cove. Since all of this area was part of the 319 Project, lakeshore restoration, changes may not be made to any part without the Agency's authorization. A representative will be out to inspect the area sometime during the month.

Many willow saplings have been removed from the shoreline of Lake Blackberry. The roots were treated with a herbicide that is safe for lake water and fish.

Landscaping – Dormant tree pruning is completed for the season.

Tree fertilization will be completed this month.

The application of sulfur to lower the pH of the soil in the naturalization area in Merrill New Road Park completes the work for this season.

A new entrance sign at Merrill New and New Bond Roads is under construction. When completed the sign will be illuminated at night. It will be identical to the one in the Common.

A plan to landscape the overflow parking lot has been sent out for bid.

Pool - No report

Security - No Report

Youth

The Halloween party was spooktacular!! We had about 30 kids that came out with their wonderful costumes to play games and enjoy some refreshments. A big thank you to my volunteers that made the event take place. My teenage helpers did a great job setting up, running games and taking down. It is great to see the older kids come together to make the little ones have a great time.

Web - No report

UNFINISHED BUSINESS

Comments on the Rules and Regulations and Renters Rules were entertained by the board. There were a number of corrections, inconsistencies, suggestions made by Cliff Sisko. These will be incorporated with the Rules and Regulations and then resubmitted to the Board for approval.

Discussion was had regarding the Renters Rules and associated forms. Tina deChaud will secure some information for AI and edits to the document will be resubmitted to the Board for approval.

The issue of the sheds was revisited. Tom asked where we were on the letters to be sent out as recommended by motion last meeting.

NEW BUSINESS

A motion to approve a \$100,000 line of credit with Old Second was made by Gary and seconded. Gary explained the purpose of the line of credit (to have as a safeguard in case we need emergency monies). Gary explained there was no penalty if we do not use the money. The motion passed and

a letter to Old Second was prepared and signed by the Secretary of the PCA Board.

The issue of the entrance to Swanbrooke was discussed. The land is owned by Prestbury and the light and sign are owned by Swanbrooke. After discussion, the following motions were made: Gary made a motion that Board Approval be given to research an agreement for Swanbrooke to utilize and maintain the property at their entrance with Board approval for any changes they might want to make in the future. Motion seconded and passed. Cheryl made a motion to have an agreement prepared that will allow Swanbrooke to utilize and maintain the light currently on PCA property. Motion seconded. 3 for the motion, 1 against, 1 abstain. Motion carried.

No further regular business to conduct, meeting was adjourned at 8:05 p.m. to Executive Session. Executive Session adjourned at 8:47 p.m. and a motion was made to adjourn the meeting at 8:50 p.m.

The next open meeting of the Prestbury Citizens Association will be Tuesday, January 12, 2010 at 6:30 p.m. in the Office Building. This is the Annual Meeting!

Respectfully submitted,
Cheryl Bolland, Secretary

PCA Office Hours

M, TU, W, TH, FRI – 8:30AM – 1:30PM

Office contact: Nicki Leroy at 466-1576

Or Liaison@prestbury.org

ATTENTION Residents!!!!

Now is the time to submit your resumes for a position on the PCA Board. Elections will be held in January at our Annual Meeting. There will be 3 openings. Feel free to submit your resume to Nicki at the Office or to Connie at PSI.

**PRESTBURY HELPING HANDS (PHH)
IS READY TO HELP YOU!!**

Need information, transportation,
errands run, a wellness check?
Call PHH coordinator Nancy Benson
at 630-466-1494.

Alternate coordinators:
Bob Forbes at 630-466-8031 or

You

Then

PRESTBURY'S 4th ANNUAL HOLIDAY DECORATION CONTEST

Is your street/cul-de-sac the best looking in Prestbury? Are there more lights on your block than all of Chicago? Do you count the days since you took down your decorations last year? We are looking for the best in Holiday Spirit for our 4th Annual Holiday Decoration Contest.

Get together with your neighbors and brighten up your little corner of the world. Whether elegant, traditional or just plain fun, we want to see who "Decks the Halls" with style this season. Then:

- Email or call Cheryl Bolland with the addresses you would like us to consider (at least two on a street) by December 15th.
- We will post on the Prestbury website those streets/blocks participating so that everyone can enjoy your handiwork.
- On December 20th we will send out a panel of judges (let us know if your display is best viewed by day or night).
- We will announce the winners and present them with a trophy at our Annual Meeting in January.

Please email secretary@prestbury.org or call Cheryl Bolland at 630-466-0986 to sign-up or with questions.

HAPPY HOLIDAYS TO YOU AND YOURS!!!

WHY ARBONNE?

PURE SWISS SKIN CARE

Arbonne premium skin care products are formulated in Switzerland at the Arbonne Institute of Research and Development (AIRD®) and are made in the U.S.A.

PROPRIETARY FORMULAS

Botanically based: A proprietary blending of science and nature, based on herbal and botanical principles.

pH correct to ensure maximum benefits.

Hypoallergenic: Voluntary human testing meets hypoallergenic substantiation claim criteria.

Dermatologist-tested: Voluntary human tests done under the watchful eye of an independent dermatologist.

Never tested on animals: Substantiation and safety testing is performed at independent laboratories on voluntary human panels.

Formulated without animal products or by-products: Plants and herbs together with science and technology offer superior benefits.

Formulated without mineral oil: Occlusive oil can interfere with skin functions as well as advanced delivery systems.

Formulated without dyes or chemical fragrances: Dyes and fragrances are known irritants and can cause allergic reactions.*
