Prestbury Citizens Association

Rules and Regulations

OBJECTIVES

On behalf of the Prestbury Citizens Association (hereafter referred to as the PCA or the Association), we welcome you to our community. Prestbury is governed by an Association with an elected Board of Directors that has compiled this booklet as a means of informing you about the shared responsibilities of Prestbury residents.

Our Rules and Regulations are purposely few and have been developed on the basis of experience gained during the many years of Prestbury's existence. To continue to benefit *from* self-governance, we must also share the responsibilities and obligations necessary to preserve Prestbury as an exceptional place to live.

Your participation in community activities and governance is welcomed.

GENERAL RESTRICTIONS

The Association is responsible for maintaining the facilities of Prestbury. It is also charged with maintaining the high standards established for this community. The Association is an Illinois not-for-profit corporation operated by the residents of Prestbury for the mutual benefit of all people residing within the community. The Association's responsibilities include the following:

1. Maintaining and enforcing decisions of the Association and its Board of Directors.
2. Enforcing all facets of the restrictive covenants established and recorded for the community.
3. Managing and maintaining open spaces and all "common areas" excluding parkways, right of ways and those under the control of sub-associations, parks, recreational facilities (e.g., pool, tennis courts), the clubhouse, the pool house, and the office building.
4. Serving as a contact for governmental agencies on behalf of the residents of Prestbury.
5. Providing street maintenance and snow removal within PCA-owned streets.
6. Assessing all owners of record in Prestbury a sum equal to the amount established by the By-laws.
7. Enforcing the Rules and Regulations so as to carry out the legitimate objectives of the Association.

The registered office of the Association is located at 15 Winthrop New Road, Sugar Grove, Illinois 60554.

ARCHITECTURAL STANDARDS

The Association has a complete set of Architectural Standards that must be adhered to for construction of new homes; remodeling of, or additions to, existing homes; any alteration of site drainage; or erection of

any structure on the member's premises. The latter includes, but is not limited to, basketball goals, skateboard ramps, patios, decks, sunrooms, fences, and awnings. Residents contemplating any of the above should request a set of Standards from the Association Manager. Residents of sub-associations may have their own set of architectural standards that must comply with PCA standards, but such standards may be more restrictive.

LOT MAINTENANCE

1. Visual character and economic value of property in a neighborhood are affected by the quality of building and grounds maintenance. All owners shall keep all lots and premises owned by them, and all improvements therein or thereon, in good order and repair as determined by the PCA Board.
2. Property owners and residents are responsible for properly maintaining the exterior of their residence, as well as fences, decks, and other structures on their lots. Required maintenance includes those actions necessary to preserve the appearance of the property and prevent deterioration. Materials that have deteriorated must be repaired or replaced. Examples of deterioration include, but are not limited to: peeling, fading, or chalking paint; siding or trim (including shutters, fascia, and flashing) that is severely faded, mismatched, broken, rotted, dirty, or dented; missing gutters or downspouts that are bent, sagging, or missing; and approved fencing that is broken, rotted, leaning, or missing.
3. Lawns must be maintained in a manner that is in keeping with the ambience of Prestbury. Turf, including that on undeveloped lots, must be mowed before it exceeds 6" in height. Planting beds, shrubbery, driveways, and walkways must be properly maintained. Dead or dying trees and downed branches must be removed within 30 days, as outlined in the "Enforcement of Rules and Regulations."
4. Undeveloped lots and lawns surrounding residences shall be mowed and weeded from curb to property line and kept free of trash, refuse, and debris.
5. Exterior use of artificial turf is not permitted.
6. All rubbish, trash or garbage shall be kept so as not to be seen from neighboring dwellings and streets, and protected from animals, or kept in the garage. Grass clippings and yard waste must be placed in appropriate brown paper bags with stickers affixed if required by the waste hauler, unless used as compost or mulch. Neither garbage nor yard waste may be placed on curbs prior to 5:00 p.m. on the evening preceding the day of garbage pick-up. After trash collection on or before that evening, the trash receptacles shall be immediately returned to the place screened from view within the property or placed in the garage.
7. Dumping of grass clippings or other refuse on empty lots, in common areas, on right of ways, into Prestbury lakes, or against fences is prohibited.

9. Personal use of the Dumpster is strictly prohibited.

 7. Owners of abandoned or immobile vehicles that are parked in off-street parking areas for longer than 48 consecutive hours will be notified and must remove those vehicles within 24 hours of notification. If not removed pursuant to notification, the PCA reserves the right to tow and store such vehicles at their owners' expense. If the owner is a resident, and the associated costs of towing and storage are not immediately paid by the owner, these costs will be included in the resident's monthly assessment.
