

2026 Boat Pad Registration and Storage Agreement

I _____ agree to abide by the following rules, fees and fine structure relative to PCA boat registration and storage at an assigned position on one of the PCA Lake Prestbury Boat Pads.

a) All boats stored on PCA boat pads must be photographed and registered with the PCA on an annual basis. The Boat Storage and Registration Fee shall be \$ 50 annually starting in January 2025. The payment must be accompanied by a current photograph of the boat being registered. An electronic or paper photograph will be acceptable.

b) Upon receipt of payment and the current photograph, the boat owner will be issued a PCA boat sticker for the current year. The stickers will have the current year and the assigned boat pad number displayed. The boat must be stored on the boat pad number that matches the number on the sticker. Requested boat numbers will be on a first come first served basis.

c) Boats must be registered and the current sticker must be displayed on the boat by May1st of each year. The sticker must be displayed in plain sight and easily visible without the need to move the boat to see it. The boat sticker number must match the pad number the boat is stored on. Failure to comply with this requirement will result in a fine of \$50. An additional \$50 fine will be levied on the first day of each month following until this requirement is met.

d) In addition to the fines outlined above, if a boat is found to be without a current year registration sticker on or after July 1st of each year, it will be assumed that the boat has been abandoned by the owner, or that it is being illegally stored by someone who has not registered and paid for the storage. The boat will then be removed from the lakeside to a storage area by the PCA. All removal and storage costs involved will be the responsibility of the boat owner. The storage fee charged by the PCA will be \$50 per month. All removal and accrued storage costs must be paid in full before an owner may claim a boat from storage. If an abandoned or unregistered boat is not claimed and remains in storage for a period of 6 months, then the boat will be disposed of in a manner to be determined by the PCA. This may include sale of or destruction of the boat. If sold, the proceeds of the sale shall first be applied to the accrued removal and storage fees. Any remaining proceeds shall be placed in the PCA general fund account.

e) Boats must be kept free of pooling water as this is not only unsightly but can become a breeding ground for mosquitoes and other noxious insects. Following a rainfall event, boats may be checked by the PCA for pooling water. Boats found to have pooling water will result in a notice to the boat owner from the PCA with a deadline to remove the water from the boat. If the condition is not corrected by the deadline specified in the notice, a fine of \$25 will be levied, and an additional fine of \$10 per week will be levied thereafter until the condition is corrected.
