Please take a few moments to carefully review this edition of the newsletter in its entirety, including the enclosed **Board Meeting Minutes** and all accompanying notices. This issue contains several important updates regarding upcoming Association projects, policy changes, assessment payment information, and other matters that may affect our community.

Staying informed helps ensure you are aware of upcoming changes, important deadlines, and decisions made by the Board of Directors. We encourage all homeowners to read through each notice carefully and retain this newsletter for future reference.

Thank you for helping us keep our community informed and engaged.

Coming in 2027 – Assessment Statement Changes

Beginning in 2027, the Prestbury Citizens Association will be implementing a new assessment billing process designed to reduce Association expenses and improve operating efficiency. As part of this change, Annual coupon books will no longer be automatically mailed to owners unless requested.

Instead, homeowners will receive one annual statement at the beginning of each year outlining their assessment amount and payment information.

Homeowners will continue to have several convenient payment options available, including ACH Direct Debit, TownSq, bank Bill Pay, or mailing a check.

Additional details, payment instructions, enrollment information, and important deadlines will be distributed to homeowners in the coming months to ensure everyone has ample time to prepare before the new process takes effect.

One resident suggested that Prestbury create a map of homes that plan to participate in Trick-or-Treating for next Halloween.

Another resident complimented Dianne's updates to the PCA office/conference space and complimented Marlene on the upkeep of the lakes. Resident also suggested that the creation of a pathway in the future would be a great addition for people who want to walk around the lake.

Later in the meeting, another resident inquired about drainage tiles. The Board plans to discuss this in more depth during Executive Session after the regular meeting.

APPROVAL OF AGENDA –. Laura Fulton motioned to approve the meeting agenda; Dianne Hurrell seconded and the motion carried.

PRESIDENT COMMENTS – Happy Thanksgiving in a few weeks! I believe that Thanksgiving used to start the holiday decorating and shopping season but that has certainly changed. We're soon to see decorated trees and outside lights appear. Prestbury is always beautiful at the holiday and I look forward to driving around the community to see the hard work of our residents as they adorn their homes. We will have a holiday decorating contest again this year. If you would like your home to be considered please contact Nicki or Sara in our office.

Please see Joe's pool report which confirms that we have chosen Clearwater Pools to manage our pool for the next three years. I want to stress that we hope that the lifeguards that have worked at our pool in the past will return. We were assured by Clearwater that all could go through the application process with them.

This is a reminder that all candidate forms for our Board of Directors must be returned to the PCA office by Friday, November 13, 2026.
Gobble till you wobble!

Respectfully Submitted by,
Marlene Deck

POOL –

We are pleased to announce our new Pool Management Company – Clearwater Pools, LLC.

Through thoughtful discussions and weighing the pros and cons between the two companies. We carefully chose Clearwater Pools due to their responsiveness, proactiveness, assistance in determining the cause of leaks, connecting us with the mechanical company to repair the heater during the summer, their StarGuard Lifeguard Training which further exemplifies their priority of safety, and their long-standing commitment to service, which has been evident throughout this process.

PLEASE NOTE – All past Prestbury Pool Lifeguards are eligible to remain working at our pool, if they so choose. I have attached a flyer with information on how the guards can apply and begin training with Clearwater for the upcoming 2027 pool season to remain as lifeguards for the upcoming season.

We understand that losing our friendly neighbors and friends as our lifeguards was one of the biggest concerns we all shared. Through this process, we concluded that all lifeguards are eligible to remain, they will just have to join the Clearwater team, and there are no obstacles in doing so.

Change is always hard, but it is in the best interest for the longevity of the pool and pool operations. This way we can continue to enjoy the pool, and fix the problems promptly as they arise, for many years to come.

For lifeguards looking to apply, you can contact: 630.296.4420 or adam@clearwaterpoolsllc.net

The pool was dived to inspect and further investigated the source of the leak. While no large evidence appeared for an exact location of the leak, it is determined that the baby pool is partly a source of this. We have a call with the leak detection company and clearwater pools to discuss the findings and our best path forward.

New Lounge chairs will be purchased for the start of the 2027 Pool Season.

If anyone has any requests for this upcoming pool season and or thoughts on how we can improve, please email pool@prestbury.org

ACTIVITIES –

October 24 Halloween Event **–** We had a perfect day for Prestbury's costume parade and Halloween party, and a great turnout from participating families as well as residents who came out to watch the parade. The clubhouse was at capacity, and we enjoyed seasonal activities and treats. A very big Thank You to the volunteers who helped with every aspect of the celebration: Teri Tomaszkiewicz, Bill Booth, Kathy Hess, Nancy Bieruta, Ann Marie Martinez, Ana Castro, Sangeeta Pande, and Kayla Meyer. And thank you to Jessica Isaacson who donated the materials for our Halloween craft. We truly could not offer these events without all of your help!

UNFINISHED BUSINESS –

Captain Rod Dock Proposal – Anne Goebel will arrange a meeting with the company to discuss options. Members of the Board also plan to view some of their docks in person before making a decision.

Golfview Sign – The posts on the old sign were rotted and had to be replaced. Bliss Creek removed the posts at no cost to Prestbury. New posts were installed on November 9 and the signs are expected to be installed by next week. Bliss Creek and Open Range will be adding their own signs below the Prestbury sign. The current estimated cost for the new sign if $7,345. Dianne Hurrell moved that the new sign be approved at a cost not to exceed $10,000; Charles Bohmer seconded and the motion passed.

NEW BUSINESS –

Bur Oak Proposals – Justin Jernigan from Bur Oak Group was present at the meeting to answer the Board's questions regarding the landscaping around the Golfview sign, holiday decorations for Prestbury signs, as well as the proposed new pergola and improvements for the front of the clubhouse.

New Sign at Golfview and Route 56: Justin and the Board discussed options for the landscaping to be added around the new sign. The consensus is that low-maintenance plants in a variety that includes evergreens for year-round appeal are preferred. The plants will not go in until Spring; in the meantime Bur Oak will add rocks to the area. Justin will put together a new drawing with landscaping options which will be discussed at the February 2027 board meeting.

Holiday garland for Prestbury signs: Previously purchased garland will be used to decorate the areas outside the office and clubhouse. For the various Prestbury entrance signs, new garland and bows will be purchased at a one-time cost of $6,796. Bur Oak will install and remove the garland. For future years only a minimal fee for installation and removal will be required as the garland will be owned by Prestbury. The sign at Norris Road was left off the proposal; Bur Oak will do that sign at no additional cost. Marlene Deck moved to approve the purchase of new garland; Laura Fulton seconded and the motion carried.

Prestbury is planning, and has previously budgeted for, a project to completely renovate the area in front of the clubhouse with a pergola, new brickwork, lighting and landscaping. Renewing this area will also allow the moisture/drainage issue there to be addressed and corrected. The current brickwork will be removed and pavers with a rock base will be added. The pergola build itself has been quoted through two companies, including A Cut Above, LLC, whom Bur Oak has worked with many times and would be contracted directly by Prestbury with Bur Oak coordinating the project. Mark Miller inquired about what type of maintenance the pergola will require – it will likely need to be restained the second year. The brickwork around it will not require maintenance. Regarding the landscaping, options were discussed, to include plants that will add winter interest. Installation would be estimated to be completed in April or May of next year, dependent on weather. The project will likely take 2-3 weeks to complete and the goal is to have it done before the start of next year's pool season. It was noted that the brickwork around the clubhouse building will eventually have to be replaced but this is a project for another date.

Marlene Deck moved that the board approve a contract for the new pergola build with A Cut Above, LLC at a cost of $39,375; Laura Fulton seconded and the motion passed. Marlene Deck moved that the board approve a contract for the brickwork, landscaping, and lighting at a cost of $63,625; Charles Bohmer seconded and the motion carried.

Slough Agreement – The meeting the Board had planned to discuss the slough had to be postponed. It will be rescheduled for a future date with Patrick Kinnally's participation.

Scientific Aquatic Aerator Cleaning Discussion – Doug Leroy met with Scientific Aquatic, who confirmed that the aerators are working properly and adding the right amount of oxygen to the water even though they are not as "visibly" bubbly. Scientific does not recommended replacing or removing the aerators at this time. Aerators are not needed at Beta Lake at this time; the treatment that was done this year there worked well.

Neighborhood Watch - Charles Bohmer and Anne Goebel have been researching how to structure a potential resident-led neighborhood watch effort in Prestbury. Due to the large size of Prestbury and its subassociations, the group would likely include a Board liaison, a resident committee chair, and then divide the community into quadrants. The idea is that this be respectful and safe and simply be a reporting system for incidents such as a car being broken into.

Umbrella Insurance - Prestbury renewed its umbrella insurance for $10,000,000 liability coverage with Baldwin Group at a total cost of $14,930.29, which is an increase of $1,008.14. Laura Fulton moved that the renewal be ratified; Mark Miller seconded and the motion passed.

Updated Collections Policy – The State of Illinois has updated requirements for collections, notably in relation to mortgage contract language and payment plans. Prestbury's legal counsel reviewed the changes and the Board voted to formally adopt the new policy. Marlene Deck motioned to adopt the new policy; Nick Edyvane seconded and the motion carried.

Year End Timeline – Mailings will be sent out to the community in December. There are currently two new nominees for Board positions.

Blackberry Lake – Dianne Hurrell asked to add to the meeting discussion that the stakes around Blackberry Lake which separate private properties from common areas have been moved over time and that the area will need to be re-surveyed to confirm the common areas so that all residents can enjoy the space around the lake. Additionally, artificial plants that were placed in the common areas need to be removed. This issue will be revisited next year, with the possibility of a path to be discussed as well.

RECESS TO EXECUTIVE SESSION – At 7:52 p.m. Laura Fulton moved to adjourn the meeting and move to Executive Session; Mark Miller seconded and the meeting was adjourned.

Executive Session was held starting at 8:00 p.m.

ADJOURMENT OF EXECUTIVE SESSION – At 8:40 p.m., Charles Bohmer moved for the Board to come out of Executive Session for an additional motion. Dianne Hurrell seconded and the motion passed and the regular meeting resumed.

Laura Fulton made a motion to approve the movement of $300,000 in funds from Barrington Bank into a CD with Merrill Lynch. Mark Milled seconded and the motion passed.

Additionally the Board discussed a hole on Winthrop New Road.

ADJOURNMENT OF MEETING –. Laura Fulton moved to adjourn the meeting at 8:44 p.m.; Joe Kordecki seconded; the motion passed and the meeting was adjourned.

The next board meeting is the Annual Meeting, scheduled for January 12, 2027 at the Cheshire Clubhouse.
