Prestbury Citizens Association

Cart Exchange Notice – LRS

Dear Prestbury Homeowners,

Please be advised that the cart exchange submission window with LRS has officially closed as of February 23, 2026.

At this time, the Association is awaiting confirmation from LRS regarding the scheduled delivery date for the approved cart exchanges. Once a confirmed delivery date has been provided, a formal notice will be published to the community.

For any homeowner who did not register for a cart exchange prior to the February 23, 2026, deadline and is now requesting a different cart size, please note that a \$30.00 exchange fee will be assessed for the cart swap.

We appreciate everyone's cooperation in meeting the submission deadline and will provide an update as soon as additional information is received from LRS.

If you have any questions, please contact Prestbury Office at 630-466-1576 or email PCAoffice@Prestbury.org
